

NTG NETWORK TECHNOLOGY GRID

NTG Network Technology Grid, an equal opportunity employer, has the following vacancy for a dynamic and energetic person with Namibian citizenship.

PRESENTER

Paterson Grade: B5

Duty station: Windhoek

Job Purpose

To present multiple live and pre-recorded television programmes across NTV platforms. The Presenter will engage audiences through confident on-air delivery, interviews and discussions, while contributing to programme preparation, scripting, live events and post-production content selection.

Minimum Qualifications, Education & Experience

- Relevant tertiary qualification in journalism, media studies, broadcasting, communications or a related field, or 5 years' relevant media experience
- Experience in television presenting, broadcasting or related media
- Good general knowledge and awareness of topical issues and current affairs
- Strong command of spoken English and excellent communication skills
- Valid driver's licence
- Strong understanding of television, digital and social media

Skills & Competencies

- Confident, engaging and professional on-air presence
- Ability to present multiple television programmes across different subjects and formats
- Strong interviewing, questioning and listening skills
- Ability to interact effectively with co-presenters, guests and contributors
- Strong research, scripting and content-development skills
- Ability to think quickly and remain composed during live television
- Creativity and strong ideas generation
- Strong editorial judgement and attention to detail
- Good time management and ability to manage multiple assignments
- Ability to work independently and within a production team
- Strong digital understanding
- Ability to work under pressure and meet strict deadlines

Key Performance Areas

- Present multiple live and pre-recorded television programmes
- Conduct interviews and facilitate studio discussions
- Research and prepare for programmes and interviews
- Write and contribute to scripts, presenter links and programme content
- Contribute ideas during programme and production planning
- Host and assist with live events and special broadcasts
- Assist with selecting clips, highlights and key moments for post-production
- Support digital and social media content
- Present additional programmes when required
- Ensure production and broadcast deadlines are met

Duties & Responsibilities

- Perform presenting duties across assigned NTV television shows
- Prepare for programmes through research, scripting and content development
- Conduct live and pre-recorded interviews
- Write and adapt scripts, introductions, links, interview questions and voice-over material
- Work closely with producers and production teams
- Contribute original ideas for shows, segments and digital content
- Review recorded content and identify strong clips, interviews, soundbites and highlights for post-production and digital use
- Record promotional material and voice-overs when required
- Host NTV and Network Tech Grid events, activations, outside broadcasts and special productions
- Assist with studio and production requirements as needed

Interested candidates who qualify for the above position can forward their CV with certified copies of qualifications, short cover letter and a **video clip** of yourself to::
